

File No. P-17024/9/2021-RC (EFMS:-375520)

Government of India
Ministry of Rural Development
Department of Rural Development
Rural Connectivity (RC) Division

Krishi Bhawan, New Delhi-110001

Dated: the 31st March, 2025

To,

**The Principal Secretary,
Public Works Department,
Government of Himachal Pradesh,
Nirman Bhawan, Shimla-171002.**

Subject:- Clearance to the projects proposal under Pradhan Mantri Gram Sadak Yojana (PMGSY-III), Batch-I of 2024-25 for the State of Himachal Pradesh-reg.

Sir,

Kindly refer to the project proposal submitted by the State of Himachal Pradesh under PMGSY-III, Batch-I, 2024-25. The proposal was considered by the Empowered Committee in its meeting held on 28th March, 2025. I am directed to convey that, on the basis of the recommendations of the Empowered Committee and compliance report submitted by the State, the Ministry hereby accords clearance for the proposal as per summary given below:-

	No	Length (in m)	Cost (Rs in Crores)	Avg. Cost per m (Lakhs)
LSBs	21	970.772 m	140.90	14.51
Total	21 LSBs	970.772 m LSBs	140.90	14.51
*MoRD Share: Rs. 126.81 Crore			State share: Rs. 14.09 Crore	

2. The OMMAS based road list and District abstract is enclosed.
3. The above clearance is accorded subject to the following conditions to be fulfilled by the State:
 - (i) State should verify the hydraulic data, catchment area calculations, Geo-Technical investigation data, structural design of bridge components and drawings while according to technical sanction. If any modifications are required, same should be made in the design and BOQs, before tendering of such bridges.

(ii) The state has to recruit experts/agency for design, implementation/ execution and supervision of bridge construction and also SQMs for independent inspection of bridge works in a time bound manner. State also needs to establish the "Bridge Management Cell" with sufficient expert manpower, before award of these works. State needs to chalk out proper strategy for deployment of manpower to be engaged to ensure optimum utilization. This information should be shared with the Ministry/ NRIDA well in time.

(iii) Pile integrity test is required for ensuring the quality of concrete cast during execution and forms part of Quality Assurance by the contractor. Thus, the cost towards this end needs to be borne by the contractor and will be included in their bid.

(iv) As per the provisions of IRC SP 51:2015, acceptance load test on one span is recommended before opening to traffic to observe the overall behavior of the structure and for the confidence of the users.

(v) The State is requested to follow the Advisory regarding Proper designing, implementation, and maintenance of PMGSY bridges issued by JS(RC) & DG, NRIDA vide D.O. No. P.17022/01/2024-RC dated 15-07-2024.

(vi) The State is advised for proof checking of design of all LSB proposals by IIT/NIT before starting of work.

(vii) State must follow all relevant IRC codes for design and construction of these bridges.

4. This issues with the approval of Hon'ble Minister of Rural Development.

Yours faithfully,

Encl: OMMAS based road list with district wise abstract.

DEVINDER KUMAR
Director (RC)
M/o Rural Development
Krishi Bhawan, New Delhi
